(D) ACHTUNG!

Etwaige Gewährleistungsansprüche bzw. Schadensersatzansprüche aller Art können von uns nur bei einer ordnungsgemäßen und der Anleitung entsprechenden Montage in einer Fachwerkstätte berücksichtigt werden.

Wir weisen ausdrücklich darauf hin, daß eine unsachgemäße und nicht in einer Fachwerkstätte durchgeführte Montage einen Verzicht auf die Geltendmachung jeglicher Art insbesondere auch aus dem Titel der Produkthaftpflichtrecht bewirkt. Für die Befestigung sind ausschließlich die beiliegenden Befestigungsteile zu verwenden.

(F) ATTENTION!

Nous attirons votre attention sur le fait que toute réclamation ou demande en dommage et intérêt ne pourrait être formulée que tant que le montage aura été fait suivant les instructions techniques prévues pour notre produit.

Il est expressément prévu qu'on ne saurait se prévaloir d'un quelconque préjudice contractuel ou rédhibitoire si le montage avait été fait en dépit des dites instructions ou dans un garage ne disposant pas des équipements adéquats. Pour la fixation, utiliser exclusivement les éléments ci-joints.

(RU) ВНИМАНИЕ!

Гарантийные случаи и гарантийные компенсации всех видов возможны только в том случае, если установка производилась компетентными специалистами при строгом соблюдении всех пунктов данной инструкции.

Обратите Ваше внимание на то, что любая неправильная установка а также установка не компетентными специалистами приведет к принудительному отказу от любого вида гарантийных возмещений, что соответствует законодательству. Для установки используйте только те крепежные элементы, которые идут в комплекте поставки.

(I) ATTENCIONE!

Prendiamo in considerazione eventuali richieste di garanzia e reclami per danni di qualsiasi genere solamente se il montaggio è stato correttamente eseguito presso un'officina autorizzata in base alle relative istruzioni.

Vi facciamo espressamente presente che il montaggio non regolare e non effettuato presso un'officina autorizzata comporterà la rinuncia di qualsiasi prestazione in garanzia, in particolare derivante dalla responsabilità del produttore. Per il fissaggio vanno utilizzate esclusivamente le parti accluse.

(GB) ATTENTION!

Guarantee claims/compensation claims of all kinds can only be entertained by us if assembly has been carried out properly and in accordance with instructions in a specialist workshop. We would expressly point out that any improper assembly which is not carried out in a specialist workshop will result in the renunciation of the enforcement of compensation claims of any kind, in particular those arising by virtue of the product liability law. For the purpose of fixing, please use the attached fixing parts only.
